

CROSSLINE

THE FRENCH SUPPLIER

MANUFACTURING, DESIGN AND SOURCING

ABOUT US

Crossline is a European supplier with its own factories and a strong design and graphic team.

We propose collections all around the year and work closely with our customer teams to deliver the best looking product at the cheapest cost.

Crossline produces knit woven and sweater items and delivers more than 20 millions pieces per year.

OUR SERVICES

We can tailor-make your needs and provide total supply chain management

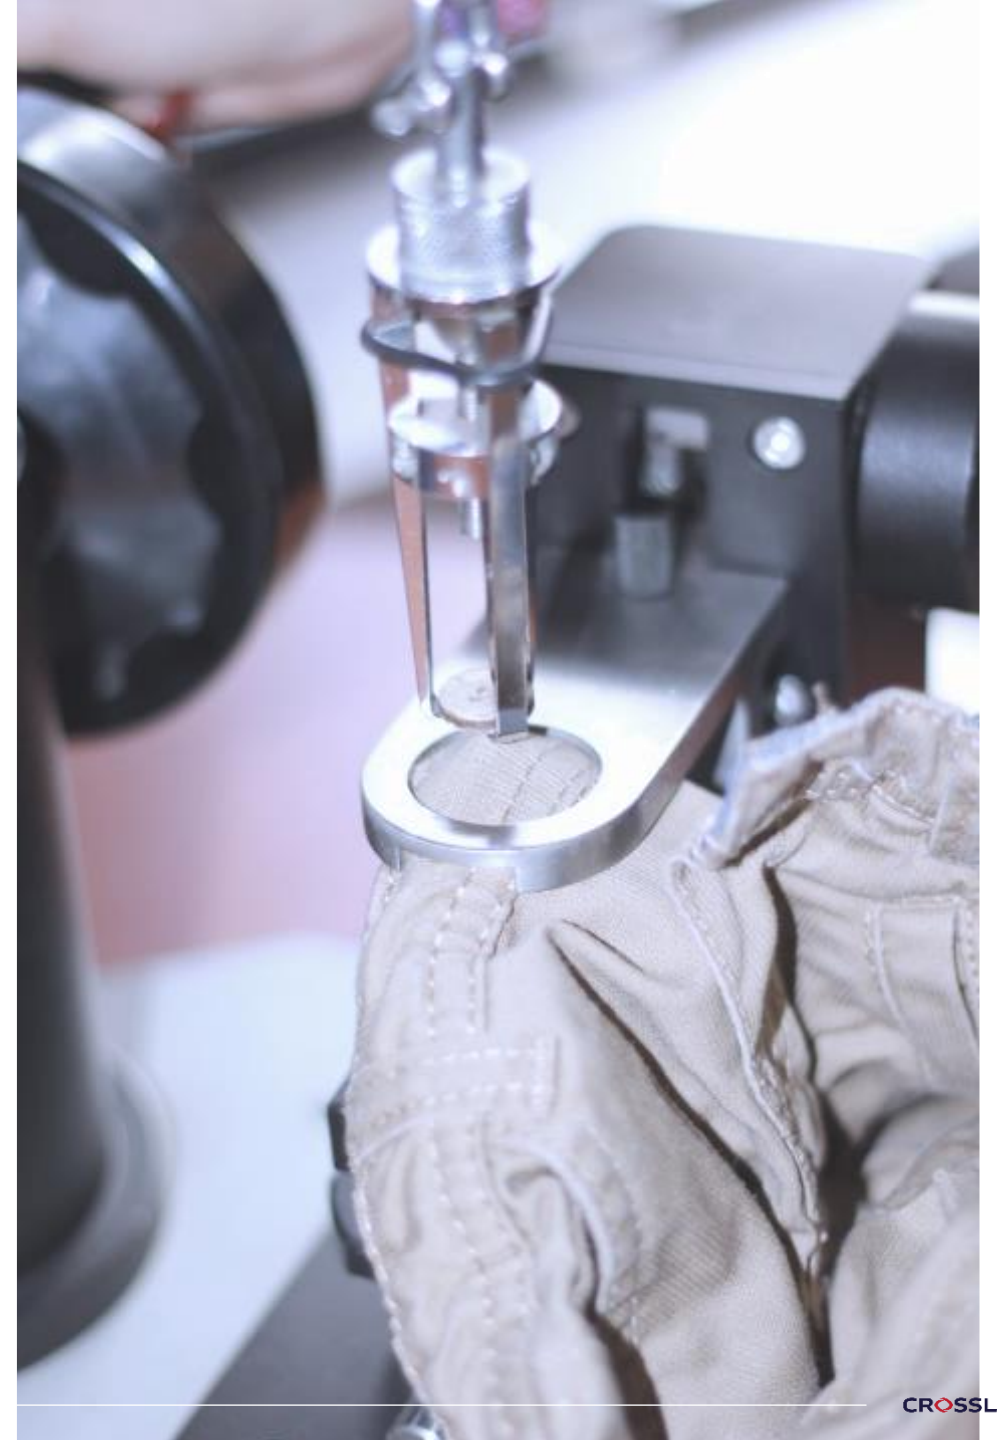

PRODUCTION

We have set up our own factories i.e. Crossline Knit Fabrics (circular knit) and Crossline Woven Apparel and also work in a strong partnership with 4 sweater factories.

DESIGN AND GRAPHIC SERVICES

Our strong design and graphic teams proposes several times a year new ladies, men, kids collections matching with our buyer's needs.

We have a special design and production team dedicated to each market (men, ladies, kids...) including a special team dedicated to plus size products
